Service 42-2 Pontefract - York Advance notice of changes starting on 1 June 2015

Each year since starting our service 42-2 in April 2013 the increasing number of passengers have enable us to increase the number of journeys we operate. Having considered requests from passengers we are pleased to be able to tell you of another increase in the frequency of our service 42-2. This will provide passengers with

- a 2-hourly frequency daytime between Pontefract and Sherburn
- a better service for Byram Park by running the bus service through the housing estate
- an increase the number of journeys between Pontefract and York from 1 per day to 5 per day.
- run a hourly service from 0906 to 1516 between Wistow and York and hourly from York between 0950 and 1800
- a Monday to Friday journey into York arriving before 0800 ie at 0640 South Milford to York Piccadilly arriving 0742.
- a Monday to Saturday journey into York arriving before 1000 ie at 0840 South Milford to York Piccadilly arriving 0942.

Please remember that between Pontefract and Sherburn our buses do not run through Monk Fryston, Hillam and Burton Salmon.

Also our service 491 which runs between Pontefract and Sherburn via Castleford will be re-numbered to service 42-3 to emphasise the link the service provides for the residents of Castleford and Townville with service 42-2 to and from York.

Since advising North Yorkshire County Council of the changes to our service 42-2 timetable we learn that they will be making changes to their supported service 490, which is operated by Arriva. The County Council will be able to advise of the changes that they are making.

Please note

The new timetable leaflets for service 42-2 are being produced at present and we expect to have these available from 18 May 2015. Following is a draft of the timetables for your information.
