- vi) Mayfair regarding CCTV at Fairways.**  
they do not recommend the installation of a broadband system due to the high cost of providing a 50mtr underground ducting system. They recommend camera at side of equipment store building installation of 2 vandal resistant day/night cameras and connected to a digital recorder installed within the building. if an incident does occur a memory stick could be reviewed at the SPC offices. Costs of this would be £1853.65. **Agreed we propose to full council that this action be taken.**
