Councillor Packham stated that this is on agenda on Finance Committee minutes later in the meeting.

Resident asking what can be done about **Dog fouling and vandalism in this village.**

Residents felt that Police should be here at these meetings to deal with complaints these issues are now becoming serious in this village. Councillor Hobson stated he is meeting with Julia Mulligan later this month and will bring this up again. Chairman reported that people must contact the Police on 101 whenever vandalism occurs so that a report is booked and then we will get more action from the Police. Resident stated there is a serious **drug problem in this village** which needs urgent attention. Councillor Packham stated that at last meeting he had asked people to contact him with their concerns and he would take these to the Police and Crime commissioner but had nothing. Chairman stressed that people **MUST** report all incidents if we want to get

Police action. Resident stated that PC Boyle had been moved on, but Chairman reports she has not, she is on restricted duties. Residents get the idea that the Police are not interested in what happens in this village. Councillor Platts asked what other Parish Councils are doing about their problem and could we find out and maybe adopt their policies if they are working. Councillor Lake states that all incidents should be reported then the Police would get more manpower. Resident stated that on social media suggestions were being made to take their own action on this, which will only make matters worse.

Residents complaint about **Dog fouling** we need to be pro-active regarding this problem. Councillor Buckle states that we have been very pro-active regarding this with signs and bins. He had personally cleaned up in Moor Lane one evening and it was fine until the following evening when it was as bad again. He had marked these with little signs which both the signs and muck had been removed. Agreed we would put signs on all our bins again that dog fouling can be put in these bins. This item to go to next Finance meeting for further discussion.
