**1. Apologies:** No apologies were received

**2. Declarations of interest** – No Councillors had interests to declare.

#### **3 Matters for discussion**

**i) Food & Craft Festival use of Eversley Park-**Councillor Doherty reports he has met with Katie Frost SDC “Community Better Together” scheme and she suggested that the Parish Council should put in for Tesco Bags for Life as no other projects had requested funding. Councillor Doherty had met and it was decided that a “Healthy Walk” all the way up to the Scout Hut. The cost would be more than the £5K which is available from this fund, but SDC thought that CEFs would maybe make up the difference. **Resolved that this Committee back this proposal.**

**ii) Multisport Area at Fairway-**Councillor Doherty reports that he has contacted Gary Limbert and he suggested that a “Shock Pad” should be added to this proposal. Councillor Doherty also reports that Gary Limbert thought this would not be used as much when the 3G pitch is completed. **Resolved we propose to full Council that we get prices from the three quotes to include the Shock Pads and then go back to Gary Limbert for his input. Resolved that we do this work as this facility will be used more by the public when the G3 Pitch is completed and needs to be done in any case.**

#### **4. Any Other Business**
