BUSINESS.

1. Matters for discussion

i) Car Park re-marking at Eversley Park Centre

Chairman reported that Mrs Marchant had been to see Aldi Site Manager about marking our car park when they do theirs, but this is not their responsibility. Sissons are doing this work. Site Manager had given Mrs Marchant a contact name of Tim Howe and she has contacted him and awaiting a reply. **Proposed we await response from Sissons before doing anything further**

ii) Update on health & Safety Checks.

Chairman reports that only Rugby Club to do now, everywhere else has been checked. All PAT testing for all areas has been done and certificates issued from the Compan.

iii) Letter from White Rose about Biodigester.

Cheque forward for payment for this annual check for £426 was signed by the Committee , as they had negotiated special price which was time important. Letter states that White Rose will pay for the emptying of this digester as they are the ones who fill this. **This was noted.**

iv) Garden by Library

Councillor Mrs Brown asked if the small triangular area between the paths could be flagged as people are walking over any plants which are planted. **Proposed that Councillor Brown approach Steven Booth (who did this work originally) and get a price for this work. Report to next Parish Council meeting.**

v) Complaint about closing of Fairway Area

Complaint received from resident about this area not closing until 9.30pm in the evening. **Proposed Clerk write and say this is closed by volunteers and we cannot tie them down to times to do this. If resident would like to volunteer we will arrange to give him a key.**
