

MINUTES OF PLANNING COMMITTEE MEETING OF SHERBURN-IN-ELMET PARISH COUNCIL HELD IN THE PARISH COUNCIL OFFICE ON MONDAY 18 NOVEMBER 2013 AT 6.30pm

Present: Councillors P Doherty (Chairman), S Haskell, M Gibson, R Packham, C Lake, Mrs J Prescott, Mrs M Hunt, Mrs N Moerman, and Mrs S Hoyland (Projects Officer).

Apologies: None.

Declaration of Interest: None.

1. Plans for Discussion:

- **NY2013/0333/FUL** - Erection of a single storey extension to existing classroom and new entrance on land at Athelstan CP School, Rose Avenue. **No objections subject to neighbours.**

2. Decisions from Selby District:

None received.

3. Reports on on-going applications:

- **2013/0467/OUT - Land at Former Airfield, Lennerton Lane.** Chairman stated that the views and objections expressed by the Parish Council were not accepted by NYCC Highways or the developer's consultants. The Police had no objection in principle to the application but when it came to detailed planning stage they felt it should be examined by a suitable panel on which they would be happy to sit. **Our consultants have provided some additional comments and after some minor amendments these will be submitted. It was agreed the Chairman would attend the hearing on behalf of Parish and Councillor Packham on behalf of District to object and request response.**
- **NY2013/0016/FUL & NY2013/0078/73 - Copley Lane Landfill Site.** Councillor Packham reported that both applications had been approved. It was noted that this would extend the life of the quarry for another 12 years.

4. High Speed 2 - Consultation on the route:

- The Chairman reported that two meetings had been held recently, and referred to his report. **It was agreed to discuss this matter with full Council to determine the Parish Council's view and to suggest the formation of a Transport Working Group to deal with road and rail issues.**

5. Date of next meeting:

To be arranged on receipt of applications.
