Business

2016/1369/HPA Proposed first floor extension to existing side garage and single storey rear extension following demolition of existing conservatory 2 Elmete Avenue, Sherburn in Elmet
[No objections subject to neighbours.](#)

2016/1418/COU Retrospective change of use of waste land to gardens and erection of paling fence 180cm high to edge of footpath at 19,23 and 25 Copperfield Close, Sherburn in Elmet.
[The Parish Council object to this application as it is detrimental to highway safety. It significantly reduces visibility of oncoming traffic at a point where the road bends. Forward visibility is reduced to about 40 metres which is inadequate in a 30 mph zone. In particular vehicles often park on the east side of the road in connection with the Fairways recreation area and vehicles overtaking them have to do this essentially blind and with no certainty whether there is any oncoming traffic. If the Local Highways Authority are satisfied that there is adequate visibility here \(including for vehicles turning out of 45 The Fairway\) then we request that evidence is provided as part of the public record.](#)
